

Thirty-first Year.

GRIMSBY, WEDSDAY, JUNE 14th, 1916

\$1.00 Per Year in Advance

MR. A. E. PHIPPS RESIGNS CHAIRMANSHIP OF B. OF E. TO GO OVERSEAS WITH 98TH

Mr. W. J. Drope Elected To Fill
out his Term—Mr Phipps
Placed on Internal Manage-
ment Committee

SALARIES RAISED

Resignation of Miss Ross Ac-
cepted: Average Attendance
at Public School In May was
267—School Closes June
23rd

Regular meeting of the Board of
Education held June 14th, 1916, in High
School.

Present: The Chairman, Messrs.
Drope, Macdonald, Henry, Marsh and
Dixon.

Minutes of previous meeting read
and confirmed. Reports were presented
by Mr. Ames and Mr. Forman.

Communications were read from
Messrs. Ross, Campbell, also from
the chairman Mr. A. E. Phipps resigning
his position owing to his enlistment
in the 98th Battalion.

Grimsby Public School,
June 7th, 1916.

The Board of Education,
Grimsby.

The attendance for May follows:
Room 6 on roll, 43, Average, 39.
Room 5 on roll, 43, Average, 38.
Room 4 on roll, 43, Average, 39.
Room 3 on roll, 43, Average, 43.
Room 2 on roll, 51, Average, 64.
Room 1 on roll, 50, Average, 64.

Total, \$10, Average, 267.
J. H. Forman,
Principal.

Moved by Macdonald, seconded by
Marsh, that the minutes of the last
meeting be confirmed. Carried.

Moved by Macdonald, seconded by
Marsh.

Amount
D. Marsh, \$10.00
H. G. & D. Marsh, 3.33
W. Parrow, 3.60
C. P. Light, 3.43
Source, 1.65
Gibson, 8.71

Total, \$34.43
Carried.

Moved by Drope, seconded by Henry
that the resignation of Miss Ross be
accepted and that she be released on
June 23rd, 1916. Carried.

Moved by Drope, seconded by Marsh,
that the Public Schools close on Fri-
day, June 23rd, 1916. Carried.

Moved by Macdonald, seconded by
Marsh, that the application of Miss
Florence be referred to Internal Man-
agement Committee. Carried.

Moved by Marsh, seconded by Ma-
donald.

ONE KILLED AND TWO WOUN- ED FROM THIS DISTRICT

Pte Ed. Harshaw, of Beams-
ville Lays Down his Life
for Freedom—"Tim"
Meggs and Jack
Pyett wounded

KILLED

Eduard Harshaw, Beamsville.

WOUNDED

Jack Pyett, Grimsby.

Arthur Harold Meggs, Grimsby.

The casualty lists still continue to
report their portion of killed and
wounded of men from this district.

Telegrams received on Tuesday
conveyed the news that more boys
from this district had made the su-
preme sacrifice, one giving up his life
and two more being badly wounded.

Pte. Eduard Harshaw, was killed
at the battle of Hooge. He was the
second son of Mr. and Mrs. E. Har-
shaw, of Beamsville, and a brother
of Bert Harshaw, of GRIMSBY. For
several years he was a resident of the
Thirty Mountain. Ed. was about
twenty-one years of age and left for
the battle line with the first contingent
of the 4th Battalion. He served with
the 4th Co., 44th Regt. for two years
and went on canal duty with them at
the outbreak of the war. At the bat-
tle of Flanders in 1915 he received
a bad shrapnel wound in the shoulder
and was in hospital for a long
time. The telegram gives no particu-
lars.

Pte. Jack Pyett, is a son of Mr. and
Mrs. Ames Pyett, Grimsby. Mountain
having moved here with his parents
last spring. He was born at Filton
and went overseas with the 3rd Con-
tingent. He is wounded in the chin,
but no particulars have been received
other than this.

Lance-Corporal Arthur Harold
Meggs, "Tim," is a resident of
GRIMSBY. In November, 1914, with
the "Fighting B" boys and was at-
tached to the Mounted Rifles. He was
born in Ventnor, Isle of Wight. 26
years ago, coming to GRIMSBY a
little over six years ago.

Shortly after he enlisted he was
married to Miss Winnifred Brown, a
sister of Mrs. F. G. Storrs, a former
resident of GRIMSBY.

TIME TABLES FOR ENTRANCE EX-
AMS FOR 1916

21st June, p. m. 1.30-3.30, composi-
tion.

22nd June, a. m. 9.00-11.30, arithme-
tic.

1.30-4.00, literature.

23rd June, a. m. 9.00-11.00, English
grammar.

11.00-12.00, writing.

P. M., 1.30-3.30, geography.

KILLED IN ACTION

The stern reality of this
war were brought home to
citizens more forcibly on
Wednesday afternoon when the
INDEPENDENT published the
announcement of the death of
Lieut. G. A. Russell.

The papers of Sunday Mon-
day contained the news that
Lieut. Russell, of the 176th
Battalion, was killed in action
on Wednesday afternoon. The
fact that he was credited with
the people here were indeed
glad that it was some other
word was received on Tuesday
from his parents or other pub-
lic was much relieved that
they thought that surely it was
one.

The shock came on Tuesday
afternoon just after the IN-
DEPENDENT had been published
a telephone message from
Lieutenant's father was re-
ceived that Russell had been
killed in action at Hillhoek in the re-
gion.

Lieut. Russell was the son of
Rev. G. Murray and Mrs. M. J.
Russell, of GRIMSBY. He was a
bachelor, and at different times
relieved the pastors of the
churches.

Russell was one of the
answer the call of the Mother
and when war was first talked
of, he was the first to offer
himself. He was a member of
the 176th Battalion. He was
a member of the 176th Battalion.

He left GRIMSBY with the
boys on August 12, 1914, for
Valenciennes and then to En-
gland. At Valenciennes he was
with the 176th Battalion. He was
a member of the 176th Battalion.

He was a member of the 176th
Battalion. He was a member of
the 176th Battalion. He was a
member of the 176th Battalion.

member of the 176th Battalion.

EIGHT APPEALS AT COURT OF REVISION; WATERCOURSES CAUSE LOT OF TROUBLE

WHAT COUNCIL DID

Approved of plans for new sub-
division.
Heard several complaints about
clogged up water courses and drains.
Received petition for Cider Path
on Clarke St.
Ordered Dog Tax and Poll Tax col-
lected immediately.
Accepted invitation of Rev. Currie
to attend Memorial Service to Lieut.
Russell in a body.
Sent letter of condolence to Rev.
G. M. and Mrs. Ross.

GRIMSBY Town Fathers met as a
Council after Court of Revision on
Monday night and in a short time
cleared up a great mass of unimpor-
tant business.

The main item of business was
watercourses and drains. From the
assault of complaints received ap-
parently all the drains in town have
become blocked or else were unable
to carry the great amount of water
that has been rushing through them
this spring.

Reeve Rapp reported that the
County Council had decided to pave
Main St. and that work would be
started inside of a month.

A letter of thanks was received
from Miss Catherine Willard Mer-
ritt, for the Council's grant of \$35.00
to the St. Catherine's and Lincoln
Conventual Home.

Mr. Murray Fitch, presented a di-
agram of a new sub-division which he
is opening up on Elizabeth St. The
new street is called Frances St. and
runs west from Elizabeth St. to
Walker St. The lots are nearly all
50x150.

Mr. Henry Bull, complained about
the Main St. drain flooding his prop-
erty every time it rains real hard.
The drain is a great nuisance as it
is not capable of carrying the water.
According to Mr. Bull there are 15
connections in this drain, private
and municipal ones. In fact he claims
the drain has become a sewer. A
catch basin is also badly needed on
this drain.

The Council will visit the spot.
Rev. Father Longo asked the Coun-
cil to divert the present course of the
Creek into its old course. The creek
used to go somewhat on a straight
line, but now it goes in a curved
course and is eating away the bank
of the Catholic Cemetery. This matter
is a private one and cannot be
dealt with by Council.

The residents on Maple Ave. asked
to have a under path built along the
eastern end of Clarke St. from Maple
Ave to Depot St. The Council will
visit this street.

Clerk Bromley asked the Council
to purchase a fire proof vault or safe
for the town books and papers. The
protection now is very inadequate.
Bank of Hamilton asked for a re-
solution, giving the Reeve and Trans-
action power to sign cheques. The re-
solution was passed.

The Hens Factory asked the Coun-
cil to do something about the drain
running through their property.
The collection of Dog Tax and Poll
Tax was on the list. The Clerk
thought they should be collected in
July.

An invitation was received from
Rev. L. H. Currie, for the Council to
attend the memorial service in St.
John's Church on Sunday next, to
Lieut. G. A. Russell. Rev. Currie's
invitation was accepted.

The Council was asked to send a
delegate to the Ontario Municipal
meeting in Toronto, in August and
September.

Parrell-Marsh—That the plan re-
sub-division of lots in the Great sur-
vey as presented by Mr. Murray
Fitch be approved by this Council.
Carried.

Marsh—Walker—That application
of Mr. Bull, re drain through his
property, be received by this Council.
That the Chairman of Board of
Works and Superintendent make an
estimate of cost to properly fix same.
Carried.

(Continued on page 3.)

176TH BATTALION ROYALLY ENTERTAINED IN GRIMSBY

Boys Marched In From Smith-
ville Friday Morning and
Camped Here Until
Monday—A Fine
Bunch

Friday morning found GRIMSBY
all hands and bawls with everybody
decorating for the arrival of the 176th
Battalion.

The 176th or Niagara Rangers have
been on a two weeks hike through the
Counties of Lincoln and Welland and
arrived in GRIMSBY just at noon on
Friday after a fine march over had
roads from Smithville where they
camped on Thursday night.

The boys have made fine time on
every stretch of the march and the
way they stepped into GRIMSBY was
enough to make Col. Sharps and his
staff feel proud of them. The boys
have not had one day of the hike that
they were not greeted with rain, mud
and all kind of hardships but they
have stood the test grandly.

The Battalion went into camp at
the beach and remained there till
Monday morning, when they pulled
out for Jordan, going into St. Cath-
arines on Tuesday.

On Friday night the Battalion
marched through GRIMSBY to the vil-
lage inn where they were separated
into different groups and sent to the
various churches where the good
ladies of the town had mountain
ladies of good victuals ready for
them. Sandwiches, pie, cake and ice
cream was on hand at every church
in abundance and the thick clad boys
were did justice to the Indian good
cooking.

On Friday night a band concert by
the local band, with accompaniment by
officers and prominent men, was
scheduled but the downpour of rain
shortly after seven o'clock put a stop
to this, but it was held on Saturday
night from the large veranda of the
Village Inn.

On Friday night the Officers of the
Battalion were entertained to dinner
at the Inn by the Town Council.

Church Service was held Sunday
morning at the camp by the Rev. L.
H. Currie, of St. John's Presbyterian
Church and was largely attended by
civilians.

The 176th is a mighty fine Bat-
talion. They are young fellows, rough
and ready to do their bit and look
as though they were fit to tackle any-
thing that came their way.

The Battalion is still about three
hundred men short of full strength
and any young fellow in this district
that wishes to join a crack Battalion
under good officers, should join at
once.

A field day was held by the boys on
Saturday afternoon but this was mar-
red by the wet weather and damp
grounds.

A SHOWER FOR MISS VELMA TEETER

On Friday evening last, Mrs. Wood
ruff was hostess of a very pleasing
event when about thirty of the
friends of Miss Velma Teeter tend-
ered her a miscellaneous shower, in
view of her approaching marriage.

Miss Teeter, who is one of GRIMSBY's
most popular young ladies, was the
recipient of many beautiful and
useful gifts, which, combined with
the hearty congratulations and good
wishes for her future, prove the high
esteem in which she is held by her
many friends.

A dainty lunch was served during
the evening, and the bride-to-be ex-
pressed her thanks to both hostess
and friends in a few well chosen
words suitable to the occasion.

MAIN STREET IS TO BE PAVED

Pavement Will be Laid From Bridge to N. He's Corner—Tar-
via Will Take the Place of Cement.

At last the "Biggest Town in Lincoln County" is coming into its own.
MAIN STREET IS TO BE PAVED.

Through the efforts of Reeve Randall, assisted by Reeve Beamer of
North GRIMSBY, and ably backed up by Reeve Robertson of Beamsville,
GRIMSBY's main thoroughfare is to be paved the full width of the street
from the Forty Mile Creek Bridge to the top of Anderson's Hill and the
some.

At County Council on Saturday last the Q. & G. Committee took up the
question of reconstructing the Q. & G. Road and also considered the paving
question. Deputy Minister McLean of the Ontario Highways Commission re-
commended the use of Tarmac Pavement.

It was decided by the Council to pave three miles of road this year. In
different townships along the Q. & G. GRIMSBY Main Street is to be paved
the full width and the pavement will be continued on to N. He's Corner, but
will only be sixteen feet in width.

Appeals Heard.

Radiant Electric Co.—To high as-
sessment on building and total value
of real property.

Specialty Mach. Co.—Until the
plant is on a paying basis, desired
free taxation.

Zimmerman, M. H.—Plant is clos-
ed and would desire that the busi-
ness assessment be removed.

Bell Fruit Farms—Wish to have
assessment reduced to \$5,000 for
school purposes only as per agree-
ment.

Harris, Miss—Wishes to have name
added as part owner in Gibson St.
house.

The Bell Co. Ltd.—Do not own
buildings being only lessees of The
Bell Fruit Farms buildings.

Secord, Mr. Elm St.—Wishes to
have name altered from L. B. Har-
shfield to Mr. Secord on assessment
roll.

Longo, Rev. Joseph—Wrongly as-
sessed for dog.

GRIMSBY Council met as a Court
of Revision in the Council Chambers
on Monday night.

Eight appeals were on the table,
a considerable number less than last
year. All the appeals except one
were granted and it was partly
granted.

Mr. F. E. Hewitt appeared for the
Radiant Electric Co. This year's as-
sessment is somewhere in the neigh-
borhood of \$2000 more than last
year. An increase of \$2150 over last
year.

Assessor Randall—I really thought
I was lowering the property value,
but increased the assessment on the
new machinery they had installed for
munition work.

The Specialty Machine Company
was represented by Mr. Summerskill
the manager. As the plant, which
was the Specialty Manufacturing
Plant was empty when this first took
it over they thought they should have
a little help. The assessment was
\$2,500 on buildings, machinery \$5,000,
Total \$11,500. This firm has had a
large part of the winter, running in
the neighborhood of \$500 per week.

It was necessary did not receive con-
sideration on taxes they were afraid
they would have to close the plant
up again. The present munition con-
tract runs out the end of this month.
Said Mr. Bradshaw, "We would have
to pay taxes wherever we go, but
we would not do business anywhere
without making a profit. After the
war is over we have plans to make
other lines of goods."

Councillor Parrell—"We all appre-
ciate the firm coming here, but I am
surprised at them asking for free
taxation. I do not think the rate-
payers would stand for it. It is
something which needs considera-
tion."

Reeve Randall—"I think a question
of free taxation should be left to the
people. We must make some taxa-
tion as the statute call for no much
taxation for school purposes. The
assessment is not exorbitant in my
opinion, but I think the Council
should make the assessment as low as
they can."

The Bell Fruit Farms this year
was assessed by Mr. Randall at

CASUALTIES

Latest word received from Troop-
er "Ted" Jenkins, the Beamsville boy
who was reported wounded two
weeks ago, is to the effect that he
will lose his left leg. "Ted" was
wounded in the knee and in order to
save him the doctors said they would
have to amputate the injured mem-
ber.

Sergeant Blaney, the heroic 15th Bat-
talion boy who carried Lieut. Living-
ston in from "No Man's Land" last
March has been wounded and pretty
badly at that. Lieut. Livingston re-
ports that he has had his left leg shot
away, several shrapnel and bullet
wounds in the head and body, a com-
pound fracture of the left arm and
the sight of his right eye destroyed.
The officers hold out hope for his re-
covery.

In the fierce fighting around Hooge
Captain A. J. (Big Alex) Sinclair of
the 15th Battalion was severely
wounded and is now in No. 7 Hospi-
tal Boulogne. He was captain of
Lieut. Livingston's company. Captain
Ackland, second in command of Liv-
ingston's company, was also wound-
ed, but has returned to duty. Lieut.
"Puss" Malone, another member of
the company and a pal of Lieut.
Livingston, was reported killed but
this has been contradicted.

Lieut. John R. Martin, of Hamilton,
and a brother of Mrs. F. W. Potten-
ger, of GRIMSBY, is reported miss-
ing since the last big fight at Ypres.

Dame Remour was busy in these
parts on Saturday and Sunday. The
report had it that Capt. Ernie Long
had been killed. This report is ab-
solutely without foundation as up to
date his parents have received no
word of him being either wounded
or killed. There are some people in
this district that are never happy
unless they have a scandal to talk
about, or are starting some ground-
less story on the roads.

KEEP THE CHERRIES FREE FROM MAGGOTS

Prof. Caesar Tells You How—Each Year Late Sour and Late
Sweet Cherries are Infested With These Little Pests.

Each year a large number of Montmorency and other late sour and late
sweet cherries infested with a little white maggot are placed on the market.
These cherries look to be quite sound but when the basket is emptied the
maggots are found at the bottom.

Any woman who has the misfortune to buy such a basket of fruit is so
disgusted at the sight that she is not inclined to risk another basket and so
the sale of cherries is injured. Besides this there is the fact that worm in-
fested cherries rot more readily on the tree than sound ones and will not ship
nearly so well.

The majority of our cherry orchards are free from this cherry pest or at
least are only very slightly infested, but there are many orchards, especially
well sheltered ones that are badly infested, some of them having 80 per cent.
upwards of maggoty fruit.

The insect that causes this trouble is a small, pretty fly with blackish
cross bands on its wings. These flies will soon begin to appear now; in fact
they nearly always are first seen about the time early Richmond cherries are
showing signs of turning red. That is the date to begin to destroy them, and
fortunately there is scarcely any fruit pest so easy to destroy and that costs
so little in doing so.

MEANS OF CONTROLLING THE PEST

Two sprayings with 2 or 2½ lbs. of arsenate of lead to 40 gallons of
water will in any ordinary season destroy 99 per cent. of the flies unless
there is an infested orchard unsprayed close beside the one treated. The
time of spraying is very important, because the flies must be killed before
they can lay their eggs. The first spraying should be just as the Early Rich-
mond cherries are showing the first signs of turning red. Spray all the
cherry trees at this time and also any other kind of fruit tree near them be-
cause the flies for a while frequent the leaves of these trees also. The next
Montmorency cherries are showing signs of red. This time omit the early
varieties because they will be too nearly ripe. Use a fine nozzle throwing a
mist spray and shoot the spray up among the foliage, giving each tree a
light but fairly thorough application. Half a gallon will be sufficient for an
average tree as the flies move around from leaf to leaf and are almost sure
to find the poison. For the first application half a gallon of cheap molasses
should be added to each barrel of the spray, but this may be omitted in the
second application. There is no danger of poisoning any person if the spray-
ing is done as suggested above.

For best results try to induce your neighbors to treat their trees also.
Help the sale of cherries by destroying this pest and keeping the cherries
clean and wormless. It need not cost more than 5 cents per tree. Try it. It
will work, there is no doubt about it, but do it as directed and not at any old
time.

L. CAESAR

LOTS OF VISITORS

1 Hyde Park Place,
London, W.,
June 1, 1916

Dear Mother:—

Lorley! I have had piles of "letters"
since I landed in this dump and flow-
ers by the carload.

Mrs. Collins and her daughter (Mrs.
Winter's daughter) were in on Tues-
day, and yesterday Mrs. Dovenah
was followed by Mrs. Osborne, wife
of our Major Osborne, who is a
prisoner; then Jack McKee, one of
our officers and last but not least, R.
Hope Kidd.

He certainly looks fine and has 51-
not out quite a bit. Says his heart
still belongs to him a bit.

Am as happy as a bug in a rug, but
don't think I will be allowed out of
bed for two or three weeks, because
the Surgeon here doesn't want to
take any chances. It's a fine pros-
pect, but I guess I can stand it.

APL

A REMARKABLE STATEMENT

Mrs. Sheldon Spent \$1900 for Treatment Without Benefit. Finally Made Well by Lydia E. Pinkham's Vegetable Compound.

Englewood, Ill. — "While going through the Change of Life I suffered with headaches, nervousness, flashes of heat, and I suffered so much I did not know what I was doing at times. I spent \$1900 on doctors and not one did me any good. One day a lady called at my house and said she had been as sick as I was at one time, and Lydia E. Pinkham's Vegetable Compound made her well, so I took it and now I am just as well as I ever was. I cannot understand why women don't see how much pain and suffering they would escape by taking your medicine. I cannot praise it enough for it saved my life and kept me from the Insane Hospital." — Mrs. E. SHELDON, 5657 S. Halsted St., Englewood, Ill.

Physicians undoubtedly did their best, battled with this case steadily and could do no more, but often the most scientific treatment is surpassed by the medicinal properties of the good old fashioned roots and herbs contained in Lydia E. Pinkham's Vegetable Compound.

If any complication exists it pays to write the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special free advice.

County Council

The County Council met in session on Tuesday and made good progress toward cleaning up the usual large amount of work that has to be accomplished during the June session. Three reports were received on Tuesday afternoon.

The second report of the printing and building committee was presented by Chairman Claus as follows:

Your Committee appointed to examine and arrange for the renewing of insurance on the different county buildings for three years, would recommend as follows:

That the amount of insurance on the Court House be increased from \$17,000 to \$20,000. On the contents of Court House from \$5,000 to \$12,000. Industrial Home, from \$15,000 to \$20,000. Frame dwelling on Farm, from \$700 to \$1,000. Live Stock on Farm, from \$975 to \$1,000. Leaving all the other properties as it now stands. All policies to run concurrent the total being \$70,200.00.

We would also recommend that the form showing amount of insurance against the various properties be printed.

That accounts amounting to \$17,461 for supplies to the various departments of the County officials, which have been certified to be paid.

Chairman Randall presented the first report of the assessment committee, which reads as follows:

That \$1,000 be taken off the assessment of the township of Niagara, and added to the town of Niagara on account of the transfer of some 15 acres of land from the township to the town.

That \$21.90 be struck off the assessment of the township of Grantham on account of the city of St. Catharines absorbing thirty acres of township property for cemetery purposes, which property is now exempt from taxation.

That the assessment of the municipalities of Calster, Clinton, Gainsboro North GRIMSBY, South GRIMSBY, Louth, Beaverville, GRIMSBY village, Merriton and Port Dalhousie, remain the same for 1916 as in 1915.

The report of the Educational Committee as presented by Chairman Nelson, read:

That \$788.57 be granted as equivalent to the Legislative grant for equipment and accommodation for rural schools of the county, and that a supplementary grant of \$500.00 be made to each of the High Schools in the County, and that the matter of further grants be left over till the next session.

That the account of the Caledonia High School for Lincoln County pupils amounting to \$23.15 be paid, also that of W. W. Ireland of \$10.92, for postage.

We further recommend that the count of the St. Catharines Institute, amounting to \$3.27, be paid, as well as the account of Thorold High School for 1915 and 1916, \$163.42.

Further accounts were recommended to be paid.

We further recommend public school teachers throughout the county be urged to take School course as prescribed by Department.

The Council then went into committee.

The Lincoln County Council decided to negotiate with St. Catharines in the purchase of the Children's Shelter, because of their committee's agreement with the City Council as to a site. Negotiations will be carried on by the City, Welland County Council to come into the matter if they desire. A motion was passed at this meeting of the Council.

Councillor Bradley recommended to the Children's Shelter after Welland County Council day afternoon, were that Lincoln, St. Catharines could not combine chase of a shelter at Keeler site in Thorold.

Bradley suggested that the City negotiate with St. Catharines for the purchase of a shelter.

Councillor Randall gave of the visit. He was in favor of the City to come in if but to go ahead. Warden stated that there was no objection to take but to join with St. Catharines seemed inadvisable.

Councillor Meyer gave ahead but to "leave the matter for Welland."

Moved by Councillors Stewart that the committee children's shelter having that they were unable to agree with the Welland Council to the joint purchase of a shelter.

The committee authorized the council authorize the committee proceed with negotiations with the City and this committee to act—but that nothing be contained to be taken as Welland from participating in the scheme should they do so. Carried.

Industrial Home

The first report of the Home, as presented by Stewart, advised repairs including a roof and coat of paint. The resigning superintendent and the Mr. and Mrs. Nelson, is accepted board of management will greet. The report reads:

Contracts Award

The board of management the Warden's chamber the following contracts to named below, their tenders lowest:

Coal—R. H. Johnston.

house, \$5.61 per ton. Meat—A. J. Haynes, city, 10% per pound (front quarter).

Bread—James McIntosh, city, 5c per loaf.

Drugs—Abba & McNamara, city.

On May 5th the board met at the home and decided to repair the refrigerator and have screen doors and windows placed on part of the building; also some minor repairs to the interior of the building, which is badly needed, the work is being done at the present time.

On May 24th the members of the board along with the other members of the committee visited the Home and found everything in a fair condition, and we wish to make the following recommendations:

That after giving the question of re-building the Home careful consideration, we instructed the board of management to advertise for tenders for plan or asbestos roof on sides, pitch and gravel on main part; also

repairing chimneys and new cave-trough and conductors and re-pitching exterior of building and have said work done forthwith.

That the resignations of Mr. and Mrs. Nelson, superintendent and matron of the Industrial Home be accepted with regret by this council, for long and faithful services covering a period of twenty years under most trying circumstances. We most deeply appreciate and trust that they may long be spared to enjoy a happy and prosperous future.

That the Board of Management be instructed to advertise for a superintendent and matron for the Home, their duties to commence the first of January, 1917.

Moved by Councillors Masters and Bradley that \$25 be granted to the Niagara Historical Society, Carried.

The Children's Shelter Committee of the City of St. Catharines and the County of Lincoln met in the County Court House on Friday afternoon and after a brief discussion decided that the city and county unite in the purchase of a Shelter. As before the door was left open so that Welland County might come into the scheme if they so desire. The proportions to be paid by the city and the county will be in the same proportion as previously agreed to, namely Lincoln County 53 per cent, and St. Catharines 47 per cent. The maintenance will be paid according to the number of inmates.

Those present were: County—Warden Johnston, Reeve Bradley, Reeve Randall, Reeve Meyer.

City—Mayor Burrows, Ald. Eagle, Ald. Nihan.

Warden Johnston presided.

Representatives of the two committees went on a tour of inspection of the Gillespie property, also the Duff and Lammman properties Saturday morning. The former property is on Queenston Street. The latter two are in Grantham just over the city limits. If the Gillespie property is suitable to the two committees negotiations will be immediately concluded for its purchase.

At the session of the County Council Friday the Clerk read an invitation from Rev. S. E. Marshall pastor of the St. Paul Street Methodist Church, to attend a Kitchener memorial service to be held on Sunday night.

Councillor Masters introduced a by-law to borrow \$100,000 on debentures the money to be used for patriotic purposes. This by-law was passed.

Committee Report

The report of the Patriotic Committee was presented by Chairman Meyer as follows:

That in the matter of a grant of \$1,000 to 176th Battalion for equipment, your committee advise that action be deferred for the present.

That the Chairman inform himself as to the Belgian situation and report to the committee with a view to further aid as deemed necessary. Such assistance to be in the nature of a money grant and not to exceed two thousand dollars.

In The Spring

Soldiers on the Battlefield.

"There is no greater patriot—not even the soldier on the battlefield—than the man who battles with the stubborn soil and makes it yield for the support of the nation." We have in Canada a power of dominion in our resources that will make the power that comes with strategy, brute force and armament, insignificant. If we know what we have and use it wisely, we will make others dependent upon us.

The stomach is the center of the body from which radiates our vitality, strength, our fighting strength. A healthy stomach turns the food we eat into nourishment for the blood stream and the nerves. Dr. Pierce's Golden Medical Discovery refreshes and tones up the stomach walls. Removes the poisonous gases from the system.

The first day you start to take this reliable medicine, impure germs and accumulations begin to separate in the blood and are then expelled through the liver, bowels and kidneys.

Get Dr. Pierce's Golden Medical Discovery to-day from any medicine dealer; it is a powerful blood purifier and tonic.

Depend upon this grand remedy to give you the kind of blood that makes the skin clear, the mind alert, the vision keener and puts ambition and energy into the entire body. Contains neither alcohol nor narcotics. Its ingredients are made public and printed on wrapper. It's a pure alternative extract made with glycerine from native roots and herbs.

Sold by medicine dealers in liquid or tablet form, or send 50 cents to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for a trial box of tablets.

Send fifty cents (or stamps) to pay for wrapping and mailing a copy of the Common Sense Medical Adviser, in cloth binding, 1008 pages, with color plates.

SHOEING AND REPAIRING

Our horse shoeing and blacksmithing department was never in better shape to handle your work, than right now.

If you want good work, give us a call.

We are in automobile drag building business. Bring in your car and let us estimate on turning it into a fruit lorry.

 The Can **Free Gasoline for**
 thirty - three hundred

See owner's saving in one year

Call and compare

The light, economical Ford with its smooth running engine averages about twenty-five miles on a gallon of gasoline.

Compare this with the gasoline consumption of the Sixteen-Miles-To-The-Gallon car.

Then figure the difference, having an eye on the present price of gasoline.

Six thousand miles is a fair season's travel. The Sixteen-Miles-To-The-Gallon car, going six thousand miles, burns up one hundred and thirty-five more gallons of gasoline than does the Ford going the same distance.

This means that the Ford owner saves enough during a single season to pay for his gasoline for an additional thirty-three hundred and seventy-five miles.

You can travel a year and a half in a Ford for what it costs you to travel one year in the Sixteen-Miles-To-The-Gallon car.
